

stereo-matcher

```
graph TD; A[stereo-matcher] -- 5 --> B[include];
```

The diagram consists of two rectangular boxes. The top box is light blue with a black border and contains the text 'stereo-matcher'. A black arrow points downwards from the bottom center of this box to the top center of a second box. The number '5' is positioned to the right of the arrow. The second box is white with a red border and contains the text 'include'.
